- **SERVICES**

Sittercity.com provides parents and sitters with a central location to find each other quickly, safely and easily. Both parents and sitters create detailed online profiles and can search the site for matches using over 30 search criteria. Parents can also post unlimited jobs for sitters, obtain references from sitter profiles and follow our four-step screening process to hire a quality caregiver. Both sitters and parents may request background checks, read and post reviews for each other, and use tools like our interactive Rate Calculator to determine fair pay and our Interactive Babysitter Cheat Sheet to prepare their babysitter.
- **CARE TYPES**

Babysitters, nannies, petsitters, house sitters, elder care providers and tutors.
- **COST**

Sitter registration is FREE. For parents, there are two billing options: \$39.99 for the first month and \$9.99/month thereafter, or \$7.99/month billed in the one-time annual sum (\$95.88).
